Attorneys for Plaintiff MICHELLE J. WHITE

**UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA**

MICHELLE J. WHITE,

Plaintiff,

vs.

**FCA US LLC, a Delaware Limited Liability
Company,**

Defendant.

Case No.: 5:22-cv-00954-BLF

STATUS REPORT RE: DISMISSAL

TO THE COURT, ALL PARTIES, AND ATTORNEYS OF RECORD:

Plaintiff Michelle J. White (“Plaintiff”) requests that the Court retain full jurisdiction over this action and not dismiss the matter until the terms of the parties’ settlement agreement are performed, all amounts owed to Plaintiff and Plaintiff’s counsel are received, and a stipulated dismissal under Rule 41 is filed.

Plaintiff submits the following updated status report:

1. The Court granted Plaintiff’s Motion for Attorney’s Fees, Costs, and Expenses (“MAF”) on September 20, 2024. (Dkt 64.) FCA is ordered to pay \$64,393.55 in fees, costs, and expenses. The Court’s order did not include a deadline for payment.

2. FCA has not yet paid the amount ordered.

3. The parties’ settlement agreement included an agreement that the case will not be dismissed until FCA pays attorneys’ fees, costs, and expenses. (Dkt 57-2, page 148, ¶ 8.)

Plaintiff therefore requests the Court continue the dismissal date to October 20, 2024, 30 days from the date the Court granted the MAF, to allow FCA time to pay the amount ordered. If FCA pays this amount before October 20, 2024, we will file the appropriate dismissal.

Dated: September 26, 2024
